This summer, join fellow Greeks from across the United States on a 10-day, all-expenses-paid leadership enrichment *adventure abroad*.

Savor local cuisine, splash in the Mediterranean and explore Israel while enhancing your Greek leadership abilities.

The Greek Leadership Experience has created an action-packed itinerary to immerse you in culture, nightlife and entrepreneurship. Meet high-level government officials. Chat with industry-leading executives. Toast new friends in one of the world's top three party destinations.

Best of all, this trip is 100% free.

The Greek Leadership Experience offers this at absolutely no cost because we want to invest in the next generation of Greek leaders: you.
